Whilst my animal is in the care of Charnwood in the unlikely event that they should require veterinary treatment, become injured or death occurs I would like to be informed.

YES / NO

If applicable please contact me via

Email _____

Phone _____

I have pet insurance?

YES / NO

Policy Holder _____

Insurance Provider _____

Policy Number _____

If pet insurance isn't available and I do not wish to be contacted whilst I am away I give consent for the veterinary surgeon to carry out any necessary treatment required and understand that I am liable for any veterinary fees. I understand that my usual vet will be used where possible but if this isn't possible I give consent for a vet of Charnwood's choice to be used.

Animals Name _____
